Who can buy?

Our travel insurance plans are only available to **residents** of New Zealand (as defined in the Travel Insurance Glossary, page 39) who meet the age limit of the plan selected.

Where are you going and how often?

The cover that is right for **you** will depend on where **you** are travelling, who is travelling and how often. The plans **we** offer are:

- International: **our** premium **single-trip** product for travel **overseas** for people under age 81.

- Annual Multi Trip: a 12-month policy for frequent travellers under age 76. Covers any number of international and New Zealand **domestic** leisure trips up to a maximum of 38 days and business trips up to a maximum of 90 days.

Both plans are only available to residents of New Zealand (as defined in the Travel Insurance Glossary, page 39).

When am I covered?

You should purchase **your** travel insurance as soon as possible after **you** have begun to book **your trip** because cover for Section 2 Cancellation costs begins from when **you** purchase the policy and **we** issue **your** Certificate of Insurance.

Cover for all other benefit sections applicable to **your** plan begins on **your** date of departure and ends on **your** date of return as stated on the Certificate of Insurance or when **you** return to **your home**, whichever happens first.

The policy is only valid once the premium is paid and **we** issue a Certificate of Insurance. Only people named on the Certificate of Insurance are covered by the policy.

Please make sure **you** keep **your** Certificate of Insurance and this policy document safe together with any other documents **we** send **you**, as these contain all the information about **your** policy.

A few words about the Annual Multi Trip plan.

- This policy must be purchased within 30 days before the start of **your** period of insurance.

- Under a **family** policy, **your** adult travel partner listed on **your** Certificate of Insurance may travel independently of **you**. **Dependents** listed on **your** Certificate of Insurance are only covered whilst accompanying **you** and/or **your** insured travel partner.

What's covered and what's not?

Our plans each have different Policy Benefits (page 7), but like all travel insurance policies, they don't cover everything. **You** should read this policy document carefully to ensure **you** select the cover that is right for you.

Certain words have special meanings which can be found in the Travel Insurance Glossary (page 39). In addition:

- Each policy section tells **you** what is covered and what **we** will pay.
- Additional options are available for luggage cover and **rental vehicle** insurance excess.
- Cover can be purchased for snow skiing and other snow sports and activities.
- The Exclusions to Sections (pages 14-20) describe the specific circumstances which are not covered by those sections of the policy.
- The General Exclusions: applicable to all sections (page 21) apply to the entire policy.

Both Exclusions to Sections and General Exclusions are noted in the Policy Benefits section (page 7) and highlighted in shaded boxes throughout the policy document for easy reference.

Please read through this information carefully because it defines the way the policy responds when **you** need to claim.

How your medical history affects your cover

Medical cover under travel insurance policies is for unexpected **sudden illnesses or serious injuries**.

Our travel insurance only includes cover for certain medical conditions, so please consider **your** medical history carefully because **overseas** medical care is expensive.

Medical conditions **you** already have before **you** buy the policy are only covered if they are on the list of automatically covered conditions (page 26) **AND** **you** meet all requirements outlined for automatic cover. If **you** do not meet those requirements, **you** will not have cover for any of **your pre-existing medical conditions** unless **we** offer **you** cover following **your** completion of an assessment and **you** pay any additional premium required.

You will not be covered for any claims where **your** medical history (or those of other people) is a contributing factor and is not covered by the policy.

Refer to the Pre-existing Medical Conditions section (page 24) for guidelines on cover for **pre-existing medical conditions**.

About your insurance

This policy is underwritten by certain underwriters at Lloyd's, managed by Cerberus Special Risks Pty Limited (Cerberus) and arranged and promoted by nib nz limited (nib).

It is **our** responsibility to operate this insurance within the Insurance Council of New Zealand Fair Insurance Code. This includes dealing with **our** customers in a fair, open and honest manner and promoting high standards of practice and service.

Your policy is based on what **you** tell **us**, and **we** expect **you** to be truthful. If **you** aren't, this has implications.

The Important Matters section (page 34) contains information on **your** duty of disclosure, applying for cover, changing **your** policy, **your** rights and **our** responsibilities to **you**. It includes details about **us** and:

What's Covered and What's Not

Section 1: Medical expenses incurred overseas

1. **We** will pay the **reasonable** cost of emergency medical, hospital, road ambulance or other treatment **you** actually and necessarily receive **overseas** during the **trip** because **you** suffer a **sudden illness or serious injury**. **You** must make an effort to keep **your** medical expenses to a minimum.

However, **we** will only pay for treatment received and/or hospital accommodation during the 12-month period after the **sudden illness or serious injury** first occurred.

The treatment must be given or prescribed by a registered medical practitioner or paramedic.

If **we** determine that **you** should return home to New Zealand for treatment and **you** do not agree to do so, then **we** will pay **you** the amount which **we** determine would cover **your** medical expenses and/or related costs had **you** agreed to **our** recommendation. **You** will then be responsible for any on-going or additional costs relating to or **arising** out of the event **you** have claimed for.

2. **We** will also pay the cost of **overseas** emergency dental treatment up to a maximum amount of \$500 per insured person per **trip** following an infection or broken tooth and which the treating dentist certifies in writing is solely required for the immediate relief of sudden and acute onset of pain to healthy, natural teeth. A natural tooth is one that is whole or properly restored (with fillings only).
3. **We** will pay up to \$12,000 in total for **your** burial or cremation **overseas** or for

transporting **your** remains to New Zealand.

- Please note **we** will not pay for any costs incurred in New Zealand.

The maximum amount **we** will pay for all claims combined under this section is shown under Policy Benefits (page 7) for the plan **you** have selected.

For what **we** will not pay in this section, please refer to Exclusions to Sections 1-13 (page 14) and General Exclusions: applicable to all sections (page 21).

Section 2: Cancellation costs

1. **We** will pay the value of the unused arrangements, less any refunds due to **you**, if **you** have to cancel any pre-paid transport or accommodation arrangements due to any unforeseen or unforeseeable circumstances outside of **your** control.
2. **We** will pay the **reasonable** cost of rearranging **your trip** prior to **you** travelling because something unforeseen and outside of **your** control occurs, provided that this cost is not greater than the cancellation fees or lost deposits which would have been incurred had the **trip** been cancelled.
3. **We** will pay the cancellation cost of tuition or course fees up to \$2,000 if the sole purpose of **your trip** is to attend that course and that course is cancelled due to circumstances outside of **your** control.
4. **We** will pay the travel agent's cancellation fees up to 10% of the amount paid to the travel agent or \$1,500 for a **single** policy or \$3,000 for a **family** policy, whichever is the lesser, when full monies have been paid

or the maximum amount of the deposit has been paid at the time of cancellation. **We** will not pay any travel agent's cancellation fees above the level of commission and/or service fees normally earned by the agent had the **trip** not been cancelled.

5. **We** will pay **you** for loss of frequent flyer or similar air travel points **you** used to purchase an airline ticket following cancellation of **your** airline ticket and **you** cannot recover the lost points from any other source. The cancellation must be due to unforeseen or unforeseeable circumstances outside of **your** control.

We calculate the amount **we** pay **you** by multiplying:

- a) the cost of an equivalent class airline ticket based on the quoted retail price at the time the ticket was issued, less **your** financial contribution;
- b) by the total value of points lost divided by the total value of points used to obtain the ticket.

The maximum amount **we** will pay for all claims combined under this section is shown under Policy Benefits (page 7) for the plan **you** have selected.

For what **we** will not pay in this section, please refer to Exclusions to Sections 1-13 (page 14) and General Exclusions: applicable to all sections (page 21).

Section 3: Additional expenses/ medical evacuation

This section only covers **you** for **reasonable** additional travel and accommodation expenses that result directly from one of the following events:

1. **You** being unable to continue the **trip** because of the death, **sudden illness or serious injury** of:
 - a) **You** or a member of **your travelling party**;
or

- b) A **close relative** or business partner or person in the same employ as **you**, who is resident in New Zealand or Australia, provided that the **sudden illness or serious injury** required hospitalisation or confinement. In the case of a business partner or person in the same employ, the person's absence made the ending of the **trip** necessary and **you** have written confirmation of that fact from a senior partner or director.

2. The need, because of a **sudden illness or serious injury** resulting in **you** being hospitalised as an in-patient, for a **close relative** or friend to travel to, remain with or escort **you** in place of the attending registered medical practitioner. **You** must have written advice of this need from the attending registered medical practitioner and **our** consent.
3. Cancellation or restriction of scheduled public transport services caused by severe weather, natural disaster, hijacking, riot, strike or civil commotion. The event must have begun after **we** issued the Certificate of Insurance. **You** must have done everything reasonable to avoid the expenses, and **you** must get the **carrier's** written confirmation of **your** claim.
4. Motor vehicle, railway, air or marine **accident**. **You** must have written confirmation of the **accident** from an official body in the country where the **accident** happened.
5. Loss (excluding Government confiscation) of passports, travel documents or credit cards, but limited to expenses incurred within the country where the loss occurred in having the documents replaced.
6. A member of **your travelling party** who is a full-time student being required to sit supplementary examinations.
7. Disruption of **your trip** due to **your home** in New Zealand being destroyed by a natural disaster or fire.

We will pay **you** if **you** have to interrupt **your trip** after it has begun for **your** necessary additional travel, accommodation, repatriation and meals that **you** undertake with **our** consent. Travel expenses for **your** return **home** or evacuation are only covered if the attending registered medical practitioner advises **us** in writing that as a result of **sudden illness or serious injury** **you** are unfit to continue the **trip**.

The following rules apply:

1. **We** will not pay for the cost of resuming the **trip** after **you** have returned to New Zealand (excluding Section 7 Return airfare and Section 8 Resumption of trip when applicable).
2. Additional travel must be at the fare class originally chosen, except where **we** agree otherwise based on a written recommendation by **your** attending registered medical practitioner.
3. If **you** do not have a return ticket at the time of the event that causes **you** to return to New Zealand, **we** will deduct the cost of an economy class airfare at the **carrier's** regular published rates for the return trip. **We** will use **your** return ticket if this reduces **our** costs.
4. **We** will not pay for additional transport and accommodation expenses when a claim is made under Section 2 Cancellation costs or Section 6 Travel delay, when applicable, for cancelled transport and accommodation expenses covering the same period of time.
5. Benefits are payable for a period up to 12 months from the date **your trip** was interrupted.

The maximum amount **we** will pay for all claims combined under this section is shown under Policy Benefits (page 7) for the plan **you** have selected.

For what **we** will not pay in this section, please refer to Exclusions to Sections 1-13 (page 14) and General Exclusions: applicable to all sections (page 21).

Section 4: Loss of income

We will pay **you** **your** average gross income less normal legal deductions for up to six months, calculated from the return date on the Certificate of Insurance, if, as a result of suffering an **injury** during the **trip**, **you** become totally unable within 30 days after that **injury** to attend to **your** usual full-time occupation or business when **you** return to New Zealand. However, **we** will not pay in respect of the first 30 days after **you** originally planned to resume **your** work. This benefit is not applicable to **dependents**. The maximum **we** will pay is \$1,500 per month **single** policy and \$3,000 per month **family** policy.

The maximum amount **we** will pay for all claims combined under this section is shown under Policy Benefits (page 7) for the plan **you** have selected.

For what **we** will not pay in this section, please refer to Exclusions to Sections 1-13 (page 14) and General Exclusions: applicable to all sections (page 21).

Section 5: Out of pocket expenses

We will pay **you** \$50 for each day **you** are necessarily confined to hospital **overseas** provided that the period of confinement exceeds 48 consecutive hours because of a **sudden illness or serious injury** that happens or first shows itself during the **trip**.

The maximum amount **we** will pay for all claims combined under this section is shown under Policy Benefits (page 7) for the plan **you** have selected.

For what **we** will not pay in this section, please refer to Exclusions to Sections 1-13 (page 14) and General Exclusions: applicable to all sections (page 21).

Section 6: Travel delay

If **your** pre-paid scheduled transport is cancelled, rescheduled or delayed for a reason

outside of **your** control, whether or not caused by a **carrier**, **we** will pay **you** up to \$2,000 for a **single** policy or \$4,000 for a **family** policy as follows:

1. If **you** are delayed for at least 6 hours, **we** will pay **you** up to \$200 for each 12 hour period of delay. This benefit is for reimbursement of **reasonable** additional expenses for accommodation, meals and for transfers directly between transport terminals and accommodation; and
2. Where **you** cannot reach **your** next destination on time, **we** will pay **you** toward the cost of **your** unusable, non-recoverable, pre-paid accommodation, transfers, tours, events and attractions.

You must give **us your** receipts and written confirmation from the **carrier** of the reasons for the cancellation, rescheduling or delay and any compensation offered or denied. Additional expenses must be **reasonable** and necessary and at the same standard as originally booked.

We will not pay for flights or other transport costs or upgrades for **you** to continue **your** journey.

Where **you** incur an additional expense under item 1 above as well as a loss of a similar pre-paid expense under item 2 above relating to the same period of time, **we** will pay the higher of the two. For example, if **you** have to purchase a night's accommodation in City A because **your** flight is delayed and **you** can't use **your** non-refundable, pre-paid accommodation in City B for the same night, **we** will only pay the higher of these costs.

The maximum amount **we** will pay for all claims combined under this section is shown under Policy Benefits (page 7) for the plan **you** have selected.

For what **we** will not pay in this section, please refer to Exclusions to Sections 1-13 (page 14) and General Exclusions: applicable to all sections (page 21).

Section 7: Return airfare

We will pay **you** towards the cost of **your** original airline ticket (less any refund that is due to **you**) if, because of a **sudden illness or serious injury** that happens during **your trip**, the attending registered medical practitioner or **carrier** requires **you** to be brought back to New Zealand with a medical escort. However, **we** will only do so if **we** bring **you** back when either:

- a) There are more than 5 days of the **trip**, or 25% of its length, left to go, whichever is the greater; or
- b) **You** have been confined to hospital **overseas** for more than 25% of the insured part of the **trip**.

The maximum amount **we** will pay for all claims combined under this section is shown under Policy Benefits (page 7) for the plan **you** have selected.

For what **we** will not pay in this section, please refer to Exclusions to Sections 1-13 (page 14) and General Exclusions: applicable to all sections (page 21).

Section 8: Resumption of trip

If **you** return to **your home** in New Zealand because, during **your trip**, a **close relative** of **yours** who is residing in New Zealand or Australia dies unexpectedly or is hospitalised following a **sudden illness or serious injury**, **we** will reimburse **you** up to \$3,000 for a **single** policy or \$6,000 for a **family** policy towards return airfares to resume **your trip** within 12 months of **your** return to New Zealand, but only if more than 14 days remain in the period of **your trip** on **your** Certificate of Insurance.

The maximum amount **we** will pay for all claims combined under this section is shown under Policy Benefits (page 7) for the plan **you** have selected.

For what **we** will not pay in this section, please refer to Exclusions to Sections 1-13 (page

14) and General Exclusions: applicable to all sections (page 21).

Section 9: Special events

If **your trip** is interrupted by any unforeseeable cause outside of **your** control and **you** are unable to arrive at **your** destination by the time originally scheduled for the purpose of:

- a) attending a pre-arranged wedding, funeral, conference or sporting event which cannot be delayed as a consequence of **your** late arrival, or
- b) returning to work in New Zealand,

we will reimburse **you** for the **reasonable** additional cost of using alternative public transport of the same fare class as originally chosen to arrive at the destination on time.

If returning to work, **you** will need to provide a letter from **your** employer confirming **your** dates of leave and when **you** were expected to return to work. For other pre-arranged events noted in (a) above, **you** will need to provide proof of the scheduled commencement date and time.

The maximum amount **we** will pay for all claims combined under this section is shown under Policy Benefits (page 7) for the plan **you** have selected.

For what **we** will not pay in this section, please refer to Exclusions to Sections 1-13 (page 14) and General Exclusions: applicable to all sections (page 21).

Section 10: Rental vehicle insurance excess

We will pay **you** for the **rental vehicle** insurance excess if **you** rent a vehicle from a rental company and it is involved in an **accident**, is damaged or is stolen whilst in **your** care. **We** will only pay if **you** have a written rental agreement from a licensed rental company.

The maximum amount **we** will pay for all claims combined under this section is shown under Policy Benefits (page 7) for the plan **you** have selected.

For what **we** will not pay in this section, please refer to Exclusions to Sections 1-13 (page 14) and General Exclusions: applicable to all sections (page 21).

Additional rental vehicle insurance excess option

Where an additional premium has been paid and this option is noted on **your** Certificate of Insurance, the limit on the Certificate of Insurance will apply.

Section 11: Withdrawal of services

We will pay **you** \$50 per day when any of the following services are unforeseeably withdrawn for 48 hours continuously during **your trip** at the pre-paid accommodation where **you** are staying:

1. All water and electrical facilities in **your** room;
2. Waiter service at meals;
3. Kitchen services so that no food is served;
4. All chambermaid services.

You must produce a written report from the accommodation manager where **you** are staying in support of **your** claim.

The maximum amount **we** will pay for all claims combined under this section is shown under Policy Benefits (page 7) for the plan **you** have selected.

For what **we** will not pay in this section, please refer to Exclusions to Sections 1-13 (page 14) and General Exclusions: applicable to all sections (page 21).

Section 12: Accidental death

1. **We** will pay **your** estate the **applicable limit** if **you** die within twelve (12) months as the

direct result of an **injury** that happens to **you** during **your trip**. However, there is no cover for **your dependents**. Under a **family** policy, **we** will only pay the **single** policy limit for any one person.

2. **We** will also pay **your** estate the **applicable limit** if **you** are presumed dead and **your** body is not found within 12 months after the transport **you** were travelling in disappears, sinks, is wrecked or crashes.

The maximum amount **we** will pay for all claims combined under this section is shown under Policy Benefits (page 7) for the plan **you** have selected.

The maximum limit in respect of **dependents** is \$10,000 for each child.

The maximum amount **we** will pay for all claims combined under this section is shown under Policy Benefits (page 7) for the plan **you** have selected.

This means, for example, that **you** may have to pay for any **overseas** medical expenses incurred, which can be prohibitive in some countries.

What to do next?

The following sections will assist **you** in answering these questions and help **you** select the cover that's right for **you**. If **you** have any questions just call nib on 0800 888 nib (0800 888 642).

Do you have a pre-existing medical condition?

A **pre-existing medical condition** means:

- a) Any **chronic** or currently ongoing medical or dental condition of which **you** are aware or any complication related to any such **chronic** or current condition; or

If any of these conditions are expressly excluded from **your** policy, all CVD is excluded.

If **you** have ever been diagnosed with a **chronic** lung disease including (but not limited to) Emphysema and Chronic Bronchitis, Bronchiectasis, Chronic Obstructive Airways Disease (COAD) or Chronic Obstructive Pulmonary Disease (COPD) and **you** do not purchase adequate cover for **your** respiratory disease, **you** may not be covered for any claims relating to a new airways infection.

If a **chronic** lung condition is expressly excluded under **your** policy, all new respiratory infections are also excluded.

I need an assessment. What do I do next?

If **your** condition does not qualify as an automatically covered condition and it is not a specifically excluded condition, **you** may have **your** condition assessed for cover by contacting nib on **0800 888 nib (0800 888 642)**. They will arrange an assessment of **your** condition(s) and advise:

- Whether **your** condition(s) can be insured under the policy;
- Whether any additional terms, conditions, exclusions or limitations will apply; and
- The amount of any additional **excess** payable in the event of a claim and/or any additional premium (where applicable) to be paid before **we** will cover **your** condition(s).

If **you** require an assessment, **we** will assess all **your** conditions. Only those conditions which **we** approve in writing will be covered, including any showing in the list of automatically covered conditions.

For any **pre-existing medical condition**, **we** have the right to accept or decline cover or impose special conditions such as an **excess**, additional premium and reduced benefits.

Pre-existing medical conditions - close relatives

You are only covered for claims which **arise** from a **pre-existing medical condition** suffered by a **close relative** who is hospitalised or dies in New Zealand or Australia after the policy is issued and at the time of the policy issue **you** were unaware of the likelihood of such hospitalisation or death. The most **we** will pay in respect of all claims under all the sections of the policy is \$2,000 for a **single** policy and \$4,000 for a **family** policy.

Pre-existing medical conditions – other people

We will not pay for claims **arising** from a **pre-existing medical condition** suffered by people other than those named on the Certificate of Insurance or for a **close relative** as noted above.

Please also read the applicable cover sections under What's covered and what's not (page 9) and General Exclusions: applicable to all sections (page 21).

If **you** have any queries regarding **pre-existing medical conditions**, please contact nib on **0800 888 nib (0800 888 642)**.

are in to obtain necessary medical reports, and they may need to contact **your** GP at **home**.

Where **you** have not notified **our** emergency assistance service, **we** will not pay for any expenses, evacuation or airfares that have not been approved or arranged by **us**.

Subject to medical advice, **you** must follow the instructions of **our** emergency assistance team as to where **you** can be treated to ensure **you** receive quality medical care. **We** also have the option of returning **you** to New Zealand or evacuating **you** to another country if the cost of **your overseas** medical expenses could exceed the cost of returning **you** to New Zealand.

If you have a medical condition but are not hospitalised

Where the costs are likely to be under \$2,000 and **you** do not require repatriation to New Zealand due to **your** medical or dental condition, **you** do not need to contact **our** emergency assistance service straight away. **You** can pay the costs yourself, but keep all receipts and obtain any medical reports to submit with **your** claim online while **you** are away or when **you** return.

Stolen, lost or damaged passport

Our emergency assistance service can help **you** find a local consulate if **your** passport is lost or stolen as well as let **you** know what **you** need to provide **us** when **you** make a claim.

Making a Claim

What we ask for

We ask that **you** notify **us** of any claims within 30 days of **your** return from **your** trip. When **you** submit **your** claim, **we** will only ask for relevant information that **we** require to assess **your** claim. It is important that **you** tell **us** what happened and provide **us** with all the documents **we** ask for.

It is important that **you** obtain as much documentation as possible at the time of the event, as it can be difficult to obtain some documents once **you** return to New Zealand. If **you** have anything lost or stolen, **you** need to report it within 24 hours of discovery to the police as well as any other appropriate authority in the circumstances (such as an accommodation provider, airline or tour operator) while **you** are there.

You must also obtain a copy of the written report from whomever **you** report **your** loss to and submit this with **your** claim. If a **carrier** has lost or damaged **your** luggage or **you** notice something has been taken from **your** bag, **you** should report the event to the **carrier** and obtain a Property Irregularity Report from them as soon as possible.

We may ask **you** to translate documents into English if they are provided to **us** in another language. Where possible, **you** should obtain these translations before submitting **your** claim. We do not require professional translations but any expenses incurred in obtaining the translation will not be paid by **us**.

Other information **we** may require includes, but is not limited to, original receipts; proof of ownership of **your** luggage and personal effects; valuations; clinical notes or a written medical report or summary from **your** treating doctor or dentist **overseas** which clearly explains the medical condition, the diagnosis provided, medical tests requested and treatment given;

or a medical certificate from **your** local GP or dentist. Any relevant information **we** ask for would need to be provided at **your** expense.

Please retain the originals of all documents, as **we** may require that **you** send these to **us** (as outlined below).

Submitting your claim

You need to notify **us** of any claims by completing a claim form in full and attaching all supporting documentation.

To obtain a claim form, for instructions on submitting **your** claim form and supporting documentation, and for details of the full claims process:

Visit nib's website at:

nibtravel.co.nz/claims

Email:

nibtravelclaims@cerberusrisks.com, or

Ring nib on:

0800 888 nib (0800 888 642)

If **you** do not fully complete the claim form or provide the information **we** require, **we** may not be able to process **your** claim, or **we** may reduce the amount of **your** claim.

Claims processing

We will acknowledge **your** claim within five business days and process **your** claim within ten business days of **us** receiving a completed claim form and all necessary documentation. If **we** need additional information, a written request will be sent to **you** within ten business days.

Claims are payable in New Zealand dollars

We will pay all claims in New Zealand dollars. **We** will pay **you** unless **you** tell **us** to pay someone else. The rate of currency exchange that will apply is the rate at the time **you** incurred the expense.

You must not admit fault or liability

In relation to any claim under this policy, **you** must not admit that **you** are at fault and **you** must not offer or promise to pay any money, or become involved in litigation, without **our** approval.

You must help us recover any money we have paid

If **we** have a claim against someone in relation to the money **we** have to pay under this policy, **you** must do everything **you** can to help **us** recover that money in legal proceedings. If **you** are aware of any third party that **you** or **we** may recover money from, **you** must inform **us** of such third party.

If you can claim from anyone else, we will only make up the difference

If **you** can make a claim against someone other than under an insurance policy in relation to a loss or expense covered under this policy and they do not pay **you** the full amount of **your** claim, **we** will make up the difference. **You** must claim from them first.

Depreciation

Depreciation will be applied to claims for **luggage and personal effects** which are not listed as valuable items. It is calculated at such reasonable rates as determined by **us** by taking into consideration factors such as **reasonable**

wear and tear based on the age of the item, the expected life span of an item, the value on the second hand market and advances in technology which reflect in the price of the item if **you** were to purchase it now.

Other insurance

If any loss, damage or liability covered under this policy is covered by another insurance policy, **you** must give **us** details. If **you** make a claim under one insurance policy and **you** are paid the full amount of **your** claim, **you** cannot make a claim under the other policy. If the loss, damage or liability covered under this policy is covered to any extent under another insurance policy, this policy pays nothing until that other policy is exhausted. **You** must give **us** any information **we** reasonably ask for to help **us** make a claim from **your** other Insurer.

Subrogation

We may, at **our** discretion, undertake in **your** name and on **your** behalf control and settlement of proceedings for **our** own benefit to recover compensation or secure indemnity from any party in respect of anything covered by this policy. **You** are to assist and permit to be done all acts and things as required by **us** for the purpose of recovering compensation or securing indemnity from other parties to which **we** may become entitled or subrogated, upon **us** paying **your** claim under this policy regardless of whether **we** have yet paid **your** claim and whether or not the amount **we** pay **you** is less than full compensation for **your** loss. These rights exist regardless of whether **your** claim is paid under a non-indemnity or an indemnity clause of this policy.

Recovery

We will apply any money **we** recover from someone else under a right of subrogation in the following order:

1. To **us**, **our** administration and legal costs arising from the recovery.

2. To **us**, an amount equal to the amount that **we** paid to **you** under the policy.
3. To **you**, **your** uninsured loss (less **your** **excess**).
4. To **you**, **your** **excess**.

Once **we** pay **your** total loss, **we** will keep all money left over. If **we** have paid **your** total loss and **you** receive a payment from someone else for that loss or damage, **you** must pay **us** the amount of that payment up to the amount of the claim **we** paid **you**.

If **we** pay **you** for lost or damaged property and **you** later recover the property or it is replaced by a third party, **you** must pay **us** the amount of the claim **we** paid **you**.

GST

If **you** are required to account for GST on any claim payment because of section 5(13) Goods and Services Tax Act 1985:

- **You** must advise **us** of this at the time **you** make the claim; and
- Provided **you** have advised **us**, **we** will increase the claim payment so that the amount **you** receive, after having accounted for GST on the claim payment, is the amount **you** would have received if section 5(13) Goods and Services Tax Act 1985 didn't apply.

Important Matters

When you buy a policy with nib, it's important you understand who we are, the services you will receive, your duty of disclosure, your rights and our responsibilities to you.

Your duty of disclosure

Before **you** enter into, vary or extend an insurance contract, **you** must provide **us** with complete and up-to-date material information about everyone insured under **your** policy.

When **we** ask **you** questions that are relevant to **our** decision to insure **you** and on what terms, **you** must tell **us** anything that **you** know and that a reasonable person in the circumstances would include in answering the questions.

When amending or extending **your** contract of insurance, **we** will ask **you** specific questions about any change in **your** circumstances. **You** must tell **us** about any change to something **you** have previously told **us**, otherwise **you** will be taken to have told **us** that there is no change.

You have this duty until **we** agree to insure, amend or extend the contract.

If **you** do not tell **us** anything **you** are required to tell **us** or if **you** provide **us** with false information, **we** may cancel **your** contract or reduce the amount **we** will pay **you** if **you** make a claim or both.

If **your** failure to tell **us** anything **you** are required to tell **us**, or **your** provision of false information, is fraudulent, **we** may refuse to pay a claim and treat the contract as if it never existed.

Applying for cover

When **you** apply for a policy, **we** will confirm with **you** things such as the period of insurance, **your** premium, what cover options and **excesses** will apply, and, where applicable, any changes to the policy document or cover which will be documented in writing to **you**. These details are recorded on the Certificate of Insurance and any other documentation **we** issue to **you**.

If **you** have any queries, want further information about the policy or want to confirm a transaction, please contact nib on:

 0800 888 nib (0800 888 642)

About your premium

You will be told the premium payable for the policy when **you** apply. It is based on a number of factors such as **your** destination(s), length of **trip**, number of people covered, age, **pre-existing medical conditions** and any additional options selected. The higher the risk, the higher the premium.

Your premium also includes amounts that take into account **our** obligation to pay any relevant compulsory government charges, taxes or levies (e.g. GST) in relation to **your** policy. These amounts will be set out separately in **your** Certificate of Insurance as part of the total premium.

Changes to your policy

Please check all **your** policy documents and make sure all the information is correct as **we** rely on the information in dealing with **your** policy. If there are any errors, please contact nib on:

 0800 888 nib (0800 888 642)

OR

 contactus@nibtravel.co.nz

Where **your** circumstances have changed and **you** need to change the cover **we** provide, please contact **us** so **we** can assist. In some circumstances **we** can change the cover or issue a new policy. Either way **we** will always email **you** a new Certificate of Insurance.

Cooling-off period

You have up to 14 days from the time **you** are issued **your** Certificate of Insurance to decide if the cover is right for **you**. This is called **your** cooling-off period.

If **you** decide that **you** don't want this policy, **you** may cancel it within the cooling-off period. **You** will receive a full refund of the premium **you** paid, provided:

- a) **you** haven't started **your** trip;
- b) **you** haven't made a claim; and
- c) **you** don't want to make a claim or exercise any other right under the policy.

When cancelling outside the cooling-off period, **we** will not refund any part of **your** premium.

You can cancel **your** policy during the cooling-off period by contacting nib on **0800 888 nib (0800 888 642)**.

Policy extensions

Extensions of **your** insurance policy are available unless:

- a) **You** are over 80 years of age at the time of extension; or
- b) **We** covered **you** for a **pre-existing medical condition**; or
- c) There has been any change in **your** health status, including the discovery of new medical conditions, since the start of **your** original policy; or
- d) There has been any other change to **your** personal circumstances which would impact on **our** decision to continue insuring **you** or apply any special conditions; or
- e) **You** have made a claim or are aware of a possible claim resulting from **your** original policy, but **you** have not advised **us** of it.

Extensions are calculated at the current rates for the relevant plan at the time of the extension.

Where **we** have updated this policy document, **you** will be offered an extension under the terms of the policy document in use at the date **your** extension is processed. Extensions will not be available when the **trip** duration exceeds 12 months in total from the Period of Insurance start date stated on **your** original Certificate of Insurance.

If the scheduled transport in which **you** are to travel is delayed, or the delay is caused by an event that entitles **you** to make a claim under this policy, the insurance is automatically extended beyond the period of the **trip** stated in the Certificate of Insurance. The extension lasts until **you** are capable of travelling to **your** final destination, including the journey there, or for a period of six (6) months, whichever happens first.
